Corporate Golf Days are becoming increasingly popular among business of all sizes for a variety of purposes: Client networking, staff appreciation, product launches, Christmas parties and more. The game of golf has a wide appeal right across Australia and a high perceived value, so golfers of all levels will appreciate an invitation to a well organised golf outing. The key to a well organised day is in careful planning and preparation, and a venue that will work with you and guide you through the process to ensure you achieve your goals for the event.

At Carnarvon our experienced staff have developed a reputation of tailoring and creating successful corporate golf packages. A corporate event with Carnarvon Golf Club offers much more than access to one of Sydney's elite golf courses. From registration to presentation, we pledge that our dedicated team will be at your side ensuring that all your expectations are met.

The Course

Carnarvon covers a beautifully rolling landscape, while the heavily tree-lined fairways are home to dozens of birdlife varieties. The par-72 is equalling challenging for the casual player and professional, with bunkers, mounds and large undulating greens. The 6,170-metre course layout has won wide acclaim for the past six years as being one of only three professional Sydney courses to host the Emirates Australian Open Qualifiers, a testament to its quality.

This easy walking, slightly undulating layout has lush Kikuyu fairways and Poa grass greens. It is kept manicured all year round. The Fairway mounds, bunkers and water hazards make it a challenging course. With pull buggies, club hire and 20 carts available, regular drinks cart service and food available at the half-way house your guests will experience the ultimate golfing experience.

Novelty events such as nearest the pins, longest drive and straightest drive competitions are well catered for. Our golf pro can assist you in deciding what the most appropriate format for you. Services include but are not limited to; starting the field, running of clinics or coaching, checking score cards, finalising competitions and results preparation.

The club can work with you regarding your needs for signage and marquees etc. We can make sure everything is delivered on time and arrange assembly and layout on the course.
